## SCHOOL BOOKS DETAILS CERTIFICATION

Our school First Steps International School follows all the rules and guidelines decided by Department Of Education and provide the list of prescribed books on its website. Along with this, a written declaration signed by the manager and principal is also put up that they have studied the content of the books prescribed by the school and they are responsible for it. If our school is found writing a book with objectionable content, then the responsibility of such content will be of the school and action will be taken against the school by the board and we are ok with it.

Apart from this, other study materials like NCERT books, General knowledge books, reasoning skills development books, magazines, newspapers etc. are also provided by the library for study.
